

Prevention Guidelines

At the last congregation meeting, the necessary precautions were described which were going to be enacted as we move indoors on November 1st. All of these are common sense and will help us get back to a more normal ministry in the future. They will also help unify us. Of all the things we can do, this is by far the most important. We want nothing to come in between us as we worship our Lord, and we want nothing to divide us as we serve the Lord and one another in love. Certainly, everyone may have a personal opinion, and that is fine. We will, as a congregation, observe those preventative measures which will keep our doors open.

May God the Father continue to protect us and give us good health. May he also provide additional opportunities where we can share the good news of Jesus Christ.

In Christian love, the following was approved at the Congregational Meeting—

- Masks will be worn indoors during the worship service which will allow for singing and speaking
- Hand wipes will be available at the door
- The “touchable” surfaces will be cleaned and disinfected every Saturday
- The fans will be reversed so air moves, but it goes up to the ceiling instead of straight down
- The windows will be kept open for added air circulation
- A fan will be placed in the fire exit (front of church) to exhaust air
- The pastor will wear gloves and a mask for the distribution of the Lord’s Supper
- There will be no refreshments for the foreseeable future
- Masks will be worn during fellowship time on the church patio
- The fellowship hall will be available for parents with small children; audio and video will be streamed from the sanctuary
- The live streaming via YouTube will continue every Sunday

One final note, if you are feeling ill, or if you have any COVID symptoms, please do not come to worship on that day.

Love in Christ is strong and living, binding faithful hearts in one;
Love in Christ is true and giving —may his will in us be done!

Love is patient and forbearing, clothed in Christ’s humility,
Gentle, selfless, kind and caring, reaching out in charity.
